4. Be sensitive to the _____. Know when to stop and continue.

- - Signal for help if you are dealing with a difficult personality/situation (unruly person, demon possession, major distraction, etc...).

Many paths to healing:

- _____ (authority of the believer) In Jesus' name, bind Satan, the spirit of infirmity, and specific diseases by name
- Laying on of hands
- Anointing with oil
- Prayer of faith
- Speak to the "mountain" (Jesus cursed the fig tree and it obeyed)
- Speak strength to _____ system
- Other things as the Holy Spirit leads you

Encourage faith for _____. God is Spirit and He heals us in our spirit first and then healing is manifested in our bodies. Sometimes healing will not be evident immediately. Many have reported receiving healing days and even weeks after being prayed for. Encourage the individual to continue in faith. Remember that God is sovereign and all things come to pass in His time.
