

**“How to
Make
Right
Decisions”**

I. We all make decisions every day of our lives.

1. Choices are Possible

2. Choices are Inevitable

3. Choices have Consequences

CONSEQUENCES OF DAVID'S CHOICE

(II Sam. 11)

- Bathsheba got pregnant
- Uriah was murdered
- He married Bathsheba out of obligation
- There was guilt when the prophet Nathan confronted Him
- God's name was disgraced throughout the whole land
- The child conceived died

II. Our decision making will either **GLORIFY** ourselves or God.

We are either...**CONFORMED TO THIS WORLD**

- Wisdom of Man
- Desire of Man
- Pleasure of Man
- Greed of Man
- Claims of Man
- Receive the result of Man

Or...TRANSFORMED BY CHRIST

- Word of God
- Delight of God
- Purpose of God
- Glory of God
- Council of God
- Receive the results of God

III. Six steps to make a right decision.

1. Spend time in prayer

2. Read the appropriate scriptures

3. Think through the consequences

4. Consider all the options

5. Choose the right time

6. Conformation from spiritual leaders
