# 7 Mountains

What is the spiritual meaning of mountains?

The mountain is thought to contain divine \_\_\_\_\_ and it is the focus of pilgrimages of transcendence and spiritual \_\_\_\_\_.

Seven Mountains: Family, \_\_\_\_\_, Education, \_\_\_\_\_, Entertainment, \_\_\_\_\_ and Government

Do we have supernatural answers to problems?

Can we press into heaven to get economic and social solutions?

Can we become a force that can literally transform culture?

- Joseph and Daniel did not impact Egypt and Babylon by convincing people to become Hebrews. They spoke the heavenly Kingdom into the lives of heathen kings and their kingdoms and shaped the future of those nations.
- “The tipping point is that magical moment when an idea, trend or social behavior crosses a \_\_\_\_\_, tips, and spreads like wildfire” – Malcolm Gladwell
- 3-5% of the population moving in the same direction will create a tipping point.
- A \_\_\_\_\_ occupying the high places is stronger than a majority that is \_\_\_\_\_.
- 30% of America is evangelical, but a 5% unbelieving minority is controlling how the agenda of our nation works.
- Whatever the values of the \_\_\_\_\_ are, they will have the ability to “tip” the culture toward or away from God’s purposes.

Seven Local Mountains:

1. Backbiting/Gossip
